

Round Bale Netting

Specification

- Unique knitted construction design - Two mono + one tape (patent knitted design)
- Less weight & power strength - reinforced heavy yarn with different colour (black and white - 800 yarn denier), normal green 400 denier
- Using two monofilament yarn - and one tape yarn (tape yarn is not knitted, just straight inserted - it is more powerful)
- This knitting pattern has a world patent
- This monofilament construction makes smaller diameter rolls; therefore we can increase the total length more than any competitors
- Size : 1.23m x 4200m (roll dia: 28 - 29cm)
- Metal Ends on Tube Core : Internal and External diameter : 75mm, 100mm
- Warning mark : Inside 0m - 30m red colour yarn marker in the middle
- Gross weight per roll : 31.21kg +/- 3%
- GSM of the net : 0.0055gsm +/- 3%
- Pallet packaging : 32 rolls per pallet

Minimum 3 rolls delivered at £117 plus VAT each.

Full pallet 32 rolls.
